REASONS FOR ALLOWANCE

1. Claims 1-12 are allowed.

2. The following is an examiner's statement of reasons for allowance:

The cited art of record either alone or in combination fail to teach the combined limitations within each independent claim, especially in regard to a CAD program (claims 1, 5, and 9). It is noted that although a CAD program is only mentioned in the preamble of independent claim 9, nevertheless, the examiner interprets the scope of claim 9 within the context of a CAD program (as is claimed in claims 1 and 5).

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to William L. Bashore whose telephone number is (571) 272-4088. The examiner can normally be reached on 9:00 am - 5:30 pm EST.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Doug Hutton can be reached on (571) 272-4137. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
